

### Third Party Presentation Disclaimers

- The information in this presentation is provided to you by an independent, third party advisor.
- The information in this presentation is only to provide a general overview of concepts and financial solutions related to wealth planning and does not have regard to the specific investment objectives, financial situation and particular needs of any persons. The opinions expressed in this presentation does not constitute investment advice or a guarantee of returns.
- Neither the information nor any opinions expressed in this presentation constitute or are intended to constitute an offer or invitation to any person (nor are they calculated to induce any offer or invitation from any person) to acquire, subscribe for or purchase any investment or insurance product or enter into any transaction. Citibank Singapore Limited ("Citibank") has not reviewed, approved or endorsed this presentation in any way and Citibank is not a sponsor of this presentation.
- You acknowledge that Citibank and/or the branches, affiliates and/or subsidiaries of Citigroup, Inc. (together "Citigroup") may not endorse/recommend/support any information, advice, opinion, material or product obtained, purchased, given at or in connection with the presentation. Citigroup shall not be held liable for any complaint, suit, action, claim, expense, loss or damage arising out of or in connection with your participation in the event, your reliance or acting upon or use of any advice, opinion, material or product obtained, purchased given at or in connection with the presentation.
- The views expressed at the presentation may change without notice, and may differ from the views expressed by Citigroup. The information herein does not constitute investment advice and Citibank makes no recommendation as to the suitability of any of the information, products or transactions mentioned. Any trading, investment or other decision you take is in reliance on your own analysis and judgment and/or that of your advisors and not in reliance on Citibank. Therefore, prior to entering into any transaction, you should determine, without reliance on Citibank, the economic risks or merits, as well as the legal, tax and accounting characteristics and consequences of the transaction and that you are able to assume these risks.
- You should be fully aware of the applicable regulations in your country. For any specific tax advice tailored to your exact circumstances, you should consult a professional tax advisor.
- Some of the products and financial solutions presented may not be available in your country of residence and/or may be governed by local regulations.
- The graphs featured are for illustrative purposes only and may not be complete. Each person's individual situations may vary.
